Buch-Information

Autoren: Douglas A. Terry

Titel: What's in Your Mouth? What's in Your Child's Mouth?

Kurztext:

Health care providers have a responsibility to instill each new generation of patients with the importance of oral health care, and this book teaches pediatric patients and their parents the importance of proper brushing and flossing by showing what happens when children neglect their teeth. This hardcover book is two books in one. The first half (*What's in Your Mouth?*) is written to introduce children to the importance of daily hygiene care, and the second half (*What's in Your Child's Mouth?*) provides parents with the information to guide their children's oral health habits. This book is sure to enthrall and inform patients of any age.

Fachgebiet(e): Kinderbuch, Kinderzahnheilkunde, Patientenaufklärung
