## Buch-Information

**Hrsg.:** Schwartz-Arad, Devorah  
**Titel:** Esthetics in Dentistry  
**Kurztext:**

*"My sincere hope is that, over and above its professional contribution to the dental community, this book will encourage both young and experienced women dentists to escalate their knowledge, wisdom, and artistic talent, and to have the impact on the dental community they so rightly deserve."*

Dr Devorah Schwartz-Arad

This book represents a unique collaboration between 17 internationally renowned female dentists as well as an insightful overview of contemporary esthetics. Topics include orthodontics and orthognathics, implants, restoration, rehabilitation, materials, trauma, and surgery. Each author also provides fascinating insight into her journey of success in a male-dominated industry.

#### Contents

Section 1. The esthetic smile

Chapter 01. Teeth and jaw posture behind the attractive smile: Orthodontic and orthognathic aspects  
Chapter 02. How to detect facial defects to create a perfect smile  
Chapter 03. Smile design  
Chapter 04. Esthetics and orthodontics: Alignment for a perfect smile  
Chapter 05. Creating the smile with dental implants

Section 2. Esthetics in adults

Chapter 06. Anterior conservative rehabilitation with composite resin  
Chapter 07. Esthetic rehabilitation of endodontically treated anterior teeth  
Chapter 08. Adult orthodontics: Collapsed arch patients  
Chapter 09. Full-mouth reconstruction and esthetic implant dentistry  
Chapter 10. Premature tooth wear and esthetic dentistry  
Chapter 11. A holistic approach to esthetics in prosthodontics

Section 3. Materials for esthetic treatment

Chapter 12. Dental Ceramics: Classification and indications

Section 4. Surgery for long-term esthetics

Chapter 13. Horizontal bone augmentation: Achieving long-term predictable outcomes in implant placement  
Chapter 14. Facial esthetics after tumor/trauma-surgeries and congenital defects  
Chapter 15. Combined surgical procedures for improving the esthetics in moderate to severe bone deficiency in the anterior maxilla
