

Autoren: Helen D. Rodd / Alyson P. Wray
Titel: Treatment Planning for the Developing Dentition
Reihe: QuintEssentials of Dental Practice
Kurztext:

This book presents the basic principles underlying sound treatment planning for the young patient, whose early experiences can significantly affect future behavior and attitudes. Treatment planning is not merely a sequence of procedures, but should address the individual social, medical, and dental needs of each child.

Contents

Chapter 01. The First Visit and Information Gathering
Chapter 02. Interceptive Orthodontic Treatment
