## Book information

**Authors:** Stephan Beuer / Martin Stangl / Edward P. Allen

**Title:** Basic Dental Suturing

**Subtitle:** A Practical Handbook

**Short text:**

This book is a concise resource for understanding the myriad suturing options available to dentists today. It includes recently developed suturing concepts pertinent to both conventional oral surgery and oral microsurgery. The text is supplemented with step-by-step drawings and photographs of the various techniques performed on an animal model, which once mastered can be readily applied in a clinical setting. The final chapter discusses the management of the occasional complications encountered during and after surgery.
