## Book information

**Authors:** Udo Wolf

**Title:** Bildatlas der Manuellen Therapie

**Subtitle:** Fundamentals and Practice

**Short text:**

All basic techniques of manual therapy are presented for each body region in a goaloriented manner in this beautifully illustrated book. The user is shown logical examination and treatment procedures, sorted according to body regions and consistently problemoriented. Illustrated flowcharts facilitate the interpretation of findings and the structuring of treatment. This enables a targeted selection of suitable techniques and imparts accessible and valuable information for the practitioner.

**Categories:** Human Medicine, Physiotherapy
