

**Authors:** R. Graham Chadwick  
**Title:** Dental Erosion  
**Series:** QuintEssentials of Dental Practice  
**Short text:**

Dental erosion is increasingly common. Its effects can be profound with lifelong consequences for the general and dental health of affected individuals. This book seeks to provide a framework of knowledge, in an easy-to-use format, to enable the dental team to manage effectively those with dental erosion. A concise, evidence based approach is adopted that is illustrated with examples of real cases. Many useful practical tips on treating such patients are given.
