## Book information

**Authors:** Raj Rattan / John Tiernan  
**Title:** Risk Management in General Dental Practice  
**Series:** QuintEssentials of Dental Practice

#### Short text:

The need for an effective risk-management strategy for the dental profession has never been greater as dentists face the dual challenges of regulation and legislation and cope with the heightened expectations of an informed public. This book explores the many facets of risk management, including consent, ethical issues, effective communication, complaint resolution, and risk assessment.
