## Book information

**Authors:** Valerie Clerehugh / Aradhna Tugnait / Iain L. C. Chapple  
**Title:** Periodontal Management of Children, Adolescents and Young Adults  
**Series:** QuintEssentials of Dental Practice

#### Short text:

This is a practical guide to the management of gingival and periodontal diseases in children and adolescents. It provides a simple step-by-step approach to periodontal diagnosis and subsequent management for the general dental practitioner, emphasizing the value of teamwork and indicating when to treat and when to refer to a periodontist.
