

**Authors:** Helen D. Rodd / Alyson P. Wray  
**Title:** Treatment Planning for the Developing Dentition  
**Series:** QuintEssentials of Dental Practice

**Short text:**

This book presents the basic principles underlying sound treatment planning for the young patient, whose early experiences can significantly affect future behavior and attitudes. Treatment planning is not merely a sequence of procedures, but should address the individual social, medical, and dental needs of each child.

**Contents**

Chapter 01. The First Visit and Information Gathering  
Chapter 02. Interceptive Orthodontic Treatment  
Chapter 03. Planning for Prevention  
Chapter 04. The Restorative Phase of Treatment  
Chapter 05. Management of the Dental Emergency  
Chapter 06. Recall Strategy
