

**Authors:** Helen D. Rodd / Alyson P. Wray  
**Title:** Treatment Planning for the Developing Dentition  
**Series:** QuintEssentials of Dental Practice

**Short text:**

This book presents the basic principles underlying sound treatment planning for the young patient, whose early experiences can significantly affect future behavior and attitudes. Treatment planning is not merely a sequence of procedures, but should address the individual social, medical, and dental needs of each child.

**Contents**

- Chapter 01. The First Visit and Information Gathering
- Chapter 02. Interceptive Orthodontic Treatment
- Chapter 03. Planning for Prevention
