## Buch-Information

**Autoren:** Krzysztof Chmielewski

**Titel:** Dental Photography

**Untertitel:** Portfolio Guidelines

#### Kurztext:

This practical atlas functions as a visual guide for using a camera in dental practice and achieving the essential photographic views. Individual views are detailed with recommended equipment setup, camera settings, necessary accessories, tips for the photographer, and instructions for the patient. The book is designed to function as a stand-up display, providing ease of use to the photographer when used chairside. Whether used as a refresher by an experienced dental photographer or as a guide for instructing staff members on dental photography protocols, this atlas is sure to become a mainstay in clinical practice.
