## Información sobre el libro

**Autores:** Fridus van der Weijden

**Título:** The Power of Ultrasonics

**Texto breve:**

Today, routine use of an ultrasonic scaler reduces the need for a vast assortment of hand instruments, saving time and providing obvious ergonomic benefits. Moreover, complete professional prophylaxis for routine periodontal maintenance can often be performed with just one universal tip. The author of this book presents these and many other reasons why ultrasonic instruments are superior to hand instruments.
