Información sobre el libro

Título: Quintessence Dental Implant Logbook

Texto breve:

This convenient logbook allows you to keep track of the details of every implant that you place. Each book contains space for over 500 patient entries (2,000 implants or more) and tracks the most important information:

- Patient name/chart no.
- Implant location and size
- Initial stability
- Procedures followed
- Recommended restoration
- Implant manufacturer
- Bone grafting procedures
- Healing abutments
- Recommended healing period
- 6-month and 12-month follow-ups

This book is beautifully crafted with a durable leather-like vinyl cover and includes additional sections at the back for recording details of completed implant continuing education courses, selected contact information, and additional notes.
