Título: How the Tooth Mouse Met the Tooth Fairy

Texto breve:

Bobby is about to lose his first baby tooth, and he can hardly wait to leave it for Max, the Tooth Mouse. But before the wobbly tooth actually falls out, Bobby's parents announce that the family is moving from South Africa to Canada! Will Max be able to find Bobby's tooth all the way in Canada? Learn what happens when Max goes to Canada and comes face to face with Fia, the Tooth Fairy. This charming and delightfully illustrated book entertains as it teaches children the importance of brushing at least twice a day.
